

C.V

Name: Dr . Jasim Mohammed Abass

Date of Birth: 1956

Religion ; Moslem

Martial statues: Married

No. of children: 6

Specialization: Crops Production

Position: Instructor

Scientific Degree: Prof.

Work Address: Iraq –Baghdad university- College of agriculture

Work Phone:

Mobile:

E-mail:dr.jumailly@yahoo.com

First, Scientific Certification:

Degree science	University	College	Date
B.Sc.	Mosul	Agriculture	1979-1980
M.Sc.	Baghdad	Agriculture	1985
Ph.D.	Baghdad	Agriculture	1997
Any other			

■ **Second, Career:**

No.	Career	Workplace	From -To
1	Assistant Researcher	Agriculture Ministry	1986-1997
2	Research Scientist	Agriculture Ministry	1997-2006
3	Instructor	Ministry of Higher Education University of Anbar	2006- 2009
4	Instructor	Ministry of Higher Education University of Baghdad	2009 -Continue

■ **Third, University Teaching.**

No.	University	The (Institute / College)	From -To
1	Al anbar university	College of Agriculture	2006- 2009
2	Baghdad university	Agricultural engineering sciences college	2009 - Continue

■ **Fourth, Courses Which You Teach:**

No.	Department	Subject	Year
1	Department of Field Crops + Department of Food Industries	General plant + oil and sugar crops	2006
2	Department of Field Crops + Department of Food Industries	Crops production+ Industrial crops	2007

3	Department of Field Crops + Department of Food Industries	Legume and serial crops Industrial crops + Crops production	2008
4	Department of Field Crops + Department of Soil	Legume Crops , oil crops Crops production	2009
5	Department of Field Crops	Legumes crops +Industrial crops	2010
6	Department of Field Crops	Legumes crops + oil crops Advance Legumes crops	2011, 2012
7	Department of Food Industries Department of Field Crops	Industrial crops Legumes crops + oil crops Advance Legumes crops	2013
8	Department of Food Industries Department of Field Crops	Industrial crops Legumes crops + oil crops Advance Legumes	2014
9	Department of Agricultural Extension Department of Field Crops	Industrial crops Legumes crops + oil crops Advance Legumes	2015
10	Department of Agricultural Extension Department of Field Crops	Industrial crops Legumes crops Advance Legumes	2016
11	Department of Agricultural Extension Department of Field Crops	Industrial crops Legumes crops Field crops production	2017

12	Department of Agricultural Extension Department of Field Crops	Industrial crops Legumes crops Field crops production	2018
13	Department of Agricultural Extension Department of Field Crops	Industrial crops Legumes crops Field crops production	2019

Fifth, Thesis which was supervised by :

No.	Thesis Title	Department	Year
1	Study the genetic behavior for some single hybrids of maize as affected by nitrogen fertilizer	Field Crops	2009
2	Effect of plant densities and potassium fertilizer addition dates in growth and yield of two soybean cultivars	Field Crops	2009
3	Effect of phosphorus levels and times of spraying iron and yield of two soybean cultivars	Field Crops	2010
4	Criteria of competitive ability of some soybean cultivars as affected by growth characters and crop density and their effects on weed control , yield, and yield components	Field Crops	2012
5	Growth ,yield and quality of soybean cultivars as influenced by cycocel and foliar nutrition with nitrogen and boron	Field Crops	2014

7	Effect of potassium application and iron and zinc spraying on growth and yield of mung bean	Department of Field Crops	2015
8	Effect of foliar kinetin and boron on growth and yield of mung bean	Field Crops	2016
9	Effect of ethephon on growth and yield of soybean	Field Crops	2019
10	Effect of ethephon on yield and quality of soybean	Field Crops	2019
11	Effect of spraying of Iron and Boron on soybean growth	Field Crops	2019
12	Effect of spraying of Iron and Boron on soybean yield	Field Crops	2019

Sixth, Conferences which you participated:

No.	Conferences Title	Year	Place	Type of
1	Agriculture machine conference	2004	Jurdon	Attend
2	Conference on Agricultural Science	2008	University of Anbar	Attend
3	Conference on Agricultural Science	2010	University of Anbar	Participant
4	Conference on Agricultural Science	2012	Ministry of Agriculture	Participant

5	Conference on Agricultural Science	2012	Karbala University	Participant
6	Conference of Genetic and Environment	2013	Baghdad University	Participant
7	9th scientific conference for Agricultural research	2014	Ministry of Agriculture	Participant
8	Fifth Scientific Agricultural Conference	2017	University of Anbar	Participant
9	10th scientific conference for Agricultural research	2017	Ministry of Agriculture	Participant
10	The first scientific symposium for plant breeding	2018	Agricultural Engineering Sciences College – Field Crops	Preparatory Committee
11	Workshop scientific foundations in the use of devices	2018	Agricultural Engineering Sciences College – Field Crops	Preparatory Committee
12	Control of weeds in filed crops	2018	Agricultural Engineering Sciences College – Field Crops	Preparatory Committee
13	Work shop on field and laboratory applications to understand crop production	2018	Agricultural Engineering Sciences College – Field Crops	Preparatory Committee
14	Climatic changes and their impact on field crops	2019	Agricultural Engineering Sciences College – Field Crops	Attend

■ Seventh, Scientific Activities:

Within the College	Outside the College
Head of field crops department in Anbar University from 2007 to 2009	<ul style="list-style-type: none"> ➤ Member of international scientific magazine editor Member of the committees discuss the messages and graduate theses

■ Eighth, Research Projects in The Field of Specialization to The Environment and Society or the Development of Education:

N	Research Title	Place of	Year
1	Response of soybean cultivars to planting dates	Al-rafidain Journal	1985
2	Response of soybean growth and yield to moisture level and nitrogen	Journal of Agriculture sciences	1999
3	Response of soybean yield and quality to moisture level and nitrogen	Journal of Agriculture sciences	1999
4	Response of soybean growth and yield to irrigation periods and plant density	Iraqi journal of agriculture	2000
5	Some field characters and productivity of four cultivars of cigar tobacco	Iraqi journal of agriculture	2001

6	Response of cigar tobacco cultivars to potassium and magnesium fertilizer	Iraqi journal of agriculture	2002
7	Effect of planting date in yield of soybean	Journal of agriculture sciences	2003
8	Response of soybean to planting date and potassium fertilizer	AL-Anbar Journal of agriculture sciences	2004
9	Effect of nitrogen , phosphorus and potassium fertilizer in growth and yield of soybean crop	AL-Anbar Journal of agriculture sciences	2007
10	Effect of planting date in growth and yield of soybean crop	AL-Anbar Journal of agriculture sciences	2007
11	Effect of plant density and potassium fertilizer in growth and yield of soybean crop	AL-Anbar Journal of agriculture sciences	2010
12	Response of growth and yield of two soybean cultivars to phosphorus fertilization and spraying time of Iron and manganese sulfates	Iraqi journal of soil science	2010
13	Effect of leaf nutrition by iron and manganese in yield and quality of three soybean cultivars	Diyala agricultural sciences journal	2011
14	Growth and seed yield of soybean under planting densities	Iraqi journal of agricultural sciences	2011

15	Growth and seed yield of soybean under planting dates	Iraqi journal of agricultural sciences	2011
16	Response of bread wheat cultivar Abu Ghrab-3 to foliar feeding with Zn and Fe	Iraqi J. Agric. Res.	2011
17	Response of Growth and yield of bread wheat to irrigation and nitrogen fertilizer	Karbala agricultural sciences journal	2012
18	Analysis of genotype x environment interaction and cultivar x trait data for soybean	Iraqi journal of agricultural sciences	2012
19	Yield stability of soybean genotypes in two location	Iraqi journal of agricultural sciences	2013
20	Response of Growth and yield of two bread cultivars to foliar feeding with Iron and Zinc	2 nd Sci.Symposium of genetic and environment	2014
21	Effect of periods of irrigation after flowering and planting dates in growth and seeds yield of soybean	AL-Anbar Journal of agriculture sciences	2014
22	Competitive ability of some soybean cultivars under different plant densities with weeds and their effects on yield and yield components	AL-Anbar Journal of agriculture sciences	2014
23	Physiological parameters express competitive ability of some soybean cultivars with a companion weeds	1 st Sci. Symposium of field crops	2014

24	Growth characters of some soybean cultivars express their competitive ability to a companion weeds	1 st Sci. Symposium of field crops	2014
25	Competitive ability of some soybean genotypes and their impact on inhibition of weed growth under educing herbicide environmental contamination	9 th Sci. Symposium of ministry of agriculture	2014
26	Analysis of genotype by environment interaction data using AMMI biplot	Iraqi journal of agricultural sciences	2014
27	Competitive ability of some soybean genotypes and their impact on inhibition of weed growth under educing herbicide environmental contamination	Iraqi journal of agricultural sciences	2015
28	Effect of cycocel and foliar nutrition of nitrogen and boron on growth of soybean cultivars	Iraqi journal of agricultural sciences	2015
29	Effect of cycocel and foliar nutrition of nitrogen and boron on yield and quality of soybean cultivars	Iraqi journal of agricultural sciences	2015
30	Effect of potash fertilization and foliar application of iron and zinc on growth traits of two genotypes of mung bean	Iraqi journal of agricultural sciences	2016
31	Effect of potash fertilization and foliar application of iron and zinc on yield and quality of two genotypes of mung bean	Iraqi journal of agricultural sciences	2016
32	Effect of kinetin and boron on growth and yield of mung bean	Euphrates journal of agriculture science	2016
33	Effect of ethephon on growth and yield of soybean	Magazine of educational & Scientific studies	2019

34	Effect of ethephon on yield and quality of soybean	Magazine of educational & Scientific studies	2019
35	Effect of spraying of Iron and Boron on soybean growth	Magazine of educational & Scientific studies	2019
36	Effect of spraying of Iron and Boron on soybean yield	Magazine of educational & Scientific studies	2019

Ninth, Membership

- **Member of the scientific committee at the University of Anbar, the 2007-2009**
- **Member of international scientific magazine editor**
- **Member committees graduated student**
- **Member of the committees discuss the messages and graduate theses**

Tenth, Awards and Certificates of Appreciation:

No.	Name of Awards and Certificates	Donor	Year
1	Five of awards	Ministry of Agriculture	1997-2000
2	One Certificate	Stat Board of Agriculture Researches	2000

3	Tow Certificates	Vitnam Institute of Agriculture Researches	2000and 2002
4	Three of award	Anbar university	2007and,2008
5	Award	Iraqi Ministry of agriculture	2012
6	Award	Karbala university	2012
7	Award	Iraqi association of genetic and	2013
8	Award	Dean of college of agriculture	2017,2018

Eleventh, Scientific literature:

No.	Scientific Literature Title	Year of The Publication
1	Bulletin guidance on peanut	1999
2	Bulletin guidance on soybean	2000
3		

Twelfth, languages:

- ✓ Arabic
- ✓ English
