

CURRICULUM VITAE

Name: Prof. PhD. Abdulrazzak Abdullatif Jasim Alzubaidi
 Date of Birth: July /1 / 1955
 Martial statues: Married
 No. of children: Two Sons
 Specialization: Soil Preparation Equipment
 Position: Proof. PhD. / Dept. of Agricultural machines and equipment
 Scientific Degree: PhD.
 Work Address: College of Agriculture, University of Baghdad, Baghdad, Iraq
 Mobile: ٠٠٩٦٤٧٩٠١٤٦١٤٧٦ 009647705362648
 Home Address: 16/27/609 Hay Al-mansur, Baghdad, Iraq
 E-mail: raz55iq@yahoo.com, raz55iq@gmail.com

■ First: Scientific Certification

Degree science	University	College	Date
B.Sc.	Mosul university	College of Agriculture and Forestry	1977
M.Sc.	Nebraska-Lincoln University – USA	Agricultural College, Ag En, Mech. Ag	1983
Ph.D.	University of Baghdad	Agriculture College	2004

■ Second: Career

No.	Career	Workplace	From –To
١	Amenable of the branch of irrigation and drainage	Technical institute of Al- Mussiab Technical Institutes Foundation	1988 – 1989
٢	Chairman of the department of agricultural machines	Technical institute of Al- Mussiab Technical Institutes Foundation	1991 – 1993
٣	Director of the scientism	Technical institute of Al- Mussiab Technical Institutes Foundation	1994- 1996
٤	Director of the organizations	Ministry of higher education / Directorate of Scholarship	1998-2004
٥	Head of Agricultural Machines and Equipment depth. .	College of agriculture – University of Baghdad	2004 – 31/7/2011

■ Third, University Teaching.

No.	The (Institute / College)	University	From -To
1	Lecturer in the Technical Institute of Bani Saad	Technical Institutes Foundation	1984 -1986
2	Head of the Branch of Irrigation and Drainage and Lecturer	Technical Institute of Al-Mussiab. Technical Institutes Foundation	1986 – 1989
3	Administrator of the Agricultural Machines Departments and Lecturer	Technical institute of Al-Mussiab. Technical Institutes Foundation	1989 – 1993
4	Director of the Scientism and Lecturer	Technical institute of Al-Mussiab. Technical Institutes Foundation	1994 –1996
5	Head of Agricultural Machines and Equipment Department and Lecturer	College of agriculture – University of Baghdad	2005 – 31/7/2011 then till now as a Professor

■ Fourth, Courses Which You Teach:

No.	Department	Subject	Year
١	Agri. Machines and Equipment / Technical Institution – Bani Saad	Engineering drawing plus Machines and Agricultural Equipment	1984 – 1986
٢	Agri. Machines and Equipment / Technical Institution of Al-Mussiab	Soil Preparation Equipment ,Irrigation Equipment , Maintenance and Operating the projects of Irrigation & Drainage	1986 1997
٣	Agri. Machines and Equipment - College of Agriculture	Soil preparation Equipment, Engineering Drawing, Surveying, Machines and Agricultural Equipment. Seminar	1997 – 2005
٤	Agri. Machines and Equipment / Technical Institution - College of Agriculture	((Soil preparation Equipment , Irrigation Equipment , Forage Equipment, Animal Production Equipment, Project of graduation ,Soil Mechanics, Implement and Equipment)) for Graduate and Under Graduate Students	2005 – till now

■ Fifth, Thesis Which was Supervised by :

No.	Thesis Title	Department	Year
١	Effect of added weights to rear wheels of tractor, plow type and tillage depth on some performance indicators of Machine Unit and some physical properties of soil	Agricultural Machines and Equipment / Master Degree, Tahseen Alawi	2008
٢	Effect of Tillage System, Harrowing Implement and Tractors Speeds on the Machinery Group , Mean Weight Diameter and Saturated Hydraulic Conductivity	Agricultural Machines and Equipment / Master Degree, Shaimma Sami	2008
٣	EVALUATION OF LOCALLY MADE EQUIPMENT PERFORMANCE UNDER SOIL SURFACE FOR SEED WEEDS CONTROL USING TREFLAN	Agricultural Machines and Equipment / Master Degree, Saif Ahmad	2008
٤	The Effect of Some Tillage Systems and Some Soil Conditions on Soil Crust Formation	Soil Department / PHD Fared Majid	2009
٥	Studying the Effect of Changing Speed and Clearance of Rice Milling Machine Rollers Type (Satak Rubber Roll THU-35A) and Whitening Duration on Rice Husk Quality and Breakage Percentage For Two Rice Cultivars	Agricultural machines and equipment / Master degree, Waleed Hameed	2010
٦	Using Locally Assembled Equipment to Inject Liquid Fertilizer Under Soil Surface.	Agricultural Machines and Equipment / Master Degree, Khasim Madlool	2010
٧	COMPARISON PERFORMANCE DIFFERENT PLOWS TO INJECTION TRIFLURALIN HERBICIDE BELOW THE SOIL	Agricultural Machines and Equipment / Master Degree, Aumer, Ghassan	٢٠١١
٨	Evaluation the performance efficiency of locally Modified plow and compared it with other plows	Agricultural Machines and Equipment / Master Degree, Ali Khalifa	٢٠١١
٩	USEING POWER SOURCES TO DETERMINE THE QUALIFICATION OF PUMPING UNIT PERFORMANCE	Agricultural Machines and Equipment / Master Degree, Khalid Saad	٢٠١١
١٠	Evaluate performance power Requirements and the Performance efficiency of the Locally Modified Sweep plow	Agricultural Machines and Equipment / Master Degree, Mohamed Mankhi	٢٠١٢
١١	Study Some Mechanical Changes of the Mill Buhler AG 200 ton and its Effect on the Efficiency and Quality of the Products	Agricultural Machines and Equipment / Master Degree, Zeyad Arif	٢٠١٢
١٢	EVALUATION THE PERFORMANCE OF REVERSE OSMOSIS FOR WATER DESALINATION	Agricultural Machines and Equipment / Master Degree, Ali Raheem	٢٠١٢
١٣	Comparative Study on Types of Tractors Suitable for Agricultural Conditions in Iraq. University of Cairo, Egypt.	Agricultural Machines and Equipment / Master Degree, Furkan Jalal	٢٠١٣

١٤	Assembly and Evaluation the Performance Efficiency of a Combine Implement Used for Opening Furrows , Planting and Fertilization	Agricultural Machines and Equipment / Master Degree, Khalid Zimam	٢٠١٤
١٥	Modification and Assembly of a Combine Implement Used for Tillage and Subsurface Irrigation Tubes Installation	Agricultural Machines and Equipment / Master Degree, Zina Alawi	٢٠١٤
١٦	Effect of Transplanting Methods and Depth on Fuel Consumption , Economic Costs and Grain Yield of Two Rice Cultivars	Agricultural Machines and Equipment / Master/ Aulaiwy Ameer Ghalli	٢٠١٦
١٧	Manufacturing and USING an UTRASONIC Waves Device For Measuring SOIL ROUGHNESS Produced by Using Some Tillage Equipment	Agricultural Machines and Equipment / Master/ Salam Fawwaz Saadon	٢٠١٦
١٨	Evaluation of The performance Energy drip irrigation system operated with multiple energy sources	Agricultural Machines and Equipment / Master/ Mustafa najim Alasafi	٢٠١٦

■ Sixth, Conferences which you participated:

No	Conferences Title	Year	Place	Type of Participati on
1	The Second Agricultural Technical Conference	1986	Foundation of Technical Institute Bani Saad	Research
2 To 11	The Scientific Conferences of Technical Researches: Second ,Third, Fourth ,Fifth ,Sixth, Seventh, Eighth ,Ninth ,Tenth, Eleventh.	90, 92, 94, 96, 98, 2000, 02, 05, 07, 09,	Foundation of Technical Education – Baghdad	Research
12	The Arab Scientific Conference for the Solar Energy	1988	The council of the Sci. Research / Solar Energy, Baghdad, Iraq	Research
13	The Fifth Scientific Conference	1989	The Council of the Scientific Researches- Baghdad, Iraq.	Research
14	The Scientific Session Concerning the Agricultural Situation in Iraq and Arabian Gulf.	1990	College of agriculture – Basra university – Basra, Iraq	Research
15	The First Scientific Conference of Al kufa University	1996	Alkufa University- Alkufa, ALnajef, Iraq	Research
16	The First Scientific Conference of the Engineering College	1997	Engineering College - Almustansyria University	Research
17	The First Agricultural Scientific Conference , College of Agriculture – Al Anbar	1997	College of Agriculture – Al Anbar- University	Research
18	The First Agricultural Scientific Conference, College of agriculture and Sciences.	2000	Jarash Private University – Jordan	Research

19	The Third Agricultural Scientific Conference, College of Agriculture	2002	Asyoot University – Egypt	Research
20	The Second Agricultural Scientific Conference, College of Agriculture	2005	Al balkaa university – Jordan	Research
21	The Tenth Scientific Conference of Feeding Animals , College of Agriculture	2005	Ain – Shems university – Egypt	Research
22	The second international Scientific Conference of environment	2006	Qana University – Egypt	Research
23	The ninth Arab Scientific Conference concerning the protection of the plants	2006	Damasks – university – Syria	Research
24	The eleventh Scientific Conference of feeding animals – agriculture College	2007	Ain – Shems university – Egypt	Research
25	The fifth Scientific Conference in Alexandria concerning the sciences and the technology of foods and diaries	2008	– agriculture College – Alexandria university, Egypt	Research
26	The first international Scientific Conference	2008	agriculture College- Aleppo, university, Syria	Research
27	The eleventh yearly Scientific Conference	2008	Babylon university	Research
28	The first Conference of completed management for the agricultural damages.	2009	October university – agriculture college – Syria	Research
29	Al basil fair for creativity and innovation – fourteenth	2009	Damasks – Syria	Research
30	The twelfth Scientific Conference of animal feeding	2009	Ain – Shems University – Egypt	Research - 2
31	The tenth Arab Scientific Conference concerning the protection of the plants	2009	Beirut – Lebanon	Research
32	The eighteenth periodically technical Conference of the union of the Arabs agricultural engineers	2010	Tunis	Research
33	The fifth Scientific Conference for the soil sciences.	2010	Samsung, Turkey .	Research
34	The events of the tenth of the center of the revival of the Arab Scientific heritage	12/5/2010	University of Baghdad	Research
35	The second Scientific Conference for medicine herbs	3-4/11/2010	Jordan	Research
36	The first Agricultural Scientific Conference- College of Agriculture- Kerbela University	26/12/2010	Kerbela	Research
٣٧	Fifth Scientific Conference of the Faculty of Agriculture	26-27/4/2011	University of Tikrit, Tikrit, Iraq	Research
٣٨	Twelfth Scientific Conference of the Foundation of Technical Education (part 1) No. Page 61	March / 2011	Baghdad, Iraq	Research
39	CIOSTA Scientific Conference	29 /6-01,7 \2011	Vienna - Austria	Research

٤٠	Second Scientific Conference of Agricultural Mechanization. Iraqi Journal of Soil Science,	18-19/4 / ٢٠١٢	Baghdad, Iraq	Research
٤١	Second Scientific Conference of the Centre	2012	Baghdad, Iraq	Research
٤٢	8 th International Soil Science Congress on land Degradation and Challenges in Sustainable Soil Management	May15-17-2012 \	Izmir -turkey	Research
٤٣	EFITA Conference Sustainable Agriculture through ICT innovation	23-27June 2013	Turin, Italy	Research
44	CIOSTA Scientific Conference Vingsted Center,	3-5 July 2013	ARHUS University ,Billund, Denmark	Research
٤٥	Ag Eng. International Scientific Conference	August, 2013	Madrid, Spain	Research
46	Ag Eng. International Scientific Conference	6,Jully,2014	Zurich, Switzerland	Research
٤٧	Ninth Scientific Conference for Agricultural Researches, Ministry of Agriculture, Baghdad, Iraq	December, 2014	Baghdad, Iraq	Research
٤٨	Scientific Conference for Mussaiab Technical College.	22/5/2015.,	Tech. Edu., Foundation, Babylon .Iraq.	Research
٤٩	XXXXV1 CIOSTA and CIGR V Conference.	26-28/5/2015	Saint Petersburg, Russia.	Research
٥٠	XV11. International Plant Protection Conference	24-27/8/2015.	Berlin, Germany	Research
٥١	2nd INTERNATIONAL EUCARPA_ OIL AND PROTEIN AND PLANT BREEDING CONGRESS. 1 -5 November, 2015	1-5/11/2015	Antalya, TURKEY	Research

■ **Seventh, Scientific Activities:**

No	Within the College	Outside the College
1	Submitted sessions in 1- driving tractors 2-Sessions in maintenance equipment and agricultural tools 3-Sessions in joining and using the agricultural Equipment 4- Sessions in machines and agricultural tools for the employees of the guidance body .	Driving Tractors Sessions, Sessions in Maintenance Equipment and Agricultural Implement.
2	Prepare a fair of the samples in the college	Prepare a fair of the samples in the international Baghdad fair.

3	Submitted Scientific session under the title (the future visions to develop the agricultural machines in the department of the machines and the agricultural tools 2006	Three researches with the ministry.
4	Participating in the sessions and Scientific Conferences	Participating in the sessions and Scientific Conferences
5	<ul style="list-style-type: none"> • Evaluating several Scientific researches for the Scientific magazines • Evaluating thesis for the Scientific gradation • Evaluating the thesis and dissertations. 	<p>Evaluating several Scientific researches for the Scientific magazines</p> <p>Evaluating the researches of the Conferences and the Scientific sessions.</p> <p>Evaluating thesis for the Scientific gradation</p> <p>Evaluating the thesis and dissertations.</p>
6	Participating in the discussion of the thesis and dissertations – masters and PhD degrees as a member or chief.	Evaluator in the magazine of agricultural and technology sciences – U.S.A.
7	Publishing 25 researches inside college	Publishing 100 researches outside college
8		Publishing 4 patents with cooperation with other ministries.
9		Evaluating a book of tools of irrigation and tapping of the body of technical teaching. And 3 books for Ministry of Education
10		<p>Participating in several sessions inside country.</p> <p>1- session in operating and maintenance tubes of irrigation and tapping</p> <p>2- irrigation systems</p> <p>3-session in qualifying soil for planting</p> <p>4- session in grading</p> <p>5-session in qualifying soil and leave uncultivated areas.</p> <p>6- beginner courses in English language/ Al- musseib</p> <p>7- Beginner courses in English language/ Baghdad.</p> <p>Developing sessions</p> <p>1- session for the new employee</p> <p>2-session of taking decision</p> <p>3-session in computer / basic language</p> <p>4- Sessions in irrigation and tapping.</p> <p>5- Sessions in computer programming.</p> <p>A- long vocational session-1</p> <p>B- long vocational session-2</p> <p>C- long vocational session-3</p> <p>D- long vocational session-4</p> <p>6-Scientific session to develop Iraqi scientists</p>

11		Work for another offices 1- Work in the center of the researches of the solar energy / Council of the Scientific researchers from 86-1987 , three days a week for one year to accomplish the researches . 2- Work according to the contract with petroleum researches center that lead to publish several researches and two patents .
12		Participating in training session in south Korea in 1985
14		Gained the Third prize of environment for 1999 ministers cabinet - council of protection and safe environment
14		Gained privileges of the Iraqi Scientific Staff for two times according to the ministerial order 5695 on 15/7/2000 and 1115 on 12/6/2001

■ Eighth, Research Projects in The Felid of Specialization to The Environment and Society or the Development of Education:

No.	Research Title	Place of Publication	Year
1	The impact of some of the plough systems and fertilization in some physics features	Egyptian journal for engineering	2008
2	Comparative Study of Sarcomere Length measuring in Lamb Meat fed on Iraqi Probiotic in Ration under Different Storage by Using a locally Manufactured Lazar Device.	Egyptian Journal of Nutrition and Feeds. Vol. 12: 3. October, 2009.Egypt.Ain – Shems university – Egypt	20-23 /10 /2009
3	The impact of mixing nature, type of Nozzle and Spraying Depth for locally Manufactured equipment to Control weeds Seeds by using terflan Herbicides.	Beirut – Lebanon	26-30/10 /2009

■ Ninth, Membership:

Member of committee for support the researches and translating in the body of technical teaching from 1996 – 2000

1-Member of the council of the college of agriculture / University of Baghdad.

2- Head of the following committees in the department of agricultural machines - college of agriculture/ University of Baghdad.

A- Council of the department

B- Committee of the higher studies

C- The Scientific committee

D- The committee of courses and syllabuses

E- The committee of training the students in summer.

3- Committees outside the department

A- Member of the journal of the Iraqi agricultural sciences / college of agriculture.

B- Member of the Babylon journal for the agricultural sciences.

C- Member of the Furat journal for the agricultural sciences

4- Reviewer in the journal of agricultural sciences and technology – U.S.A.

- Member of the agricultural engineers association (chancellor).
- Member of the association of the soil sciences and qualifying the soil.
- Member of the association of teachers (teacher)
- Member of the union of the academic teachers
- Member of Egypt association of agricultural engineering.
- Member of the association of Plant Protection of Arabic plants.
- Member of the association of Inventors, Iraq
- Member of the Iraqi Inventor Forum

■ Tenth, Awards and Certificates of Appreciation:

No.	Name of Awards and Certificates	Donor	Year
١	Acknowledgment	Dean of the institution	5/399 on 23/3/1985
٢	Acknowledgment	Dean of the institution	1172 on 17/3/1986
٣	Acknowledgment	Dean of the institution	27/1900 on 7/5/1988
٤	Acknowledgment	Dean of the institution	2/11/3264 on 1/6/1989
٥	Acknowledgment	Dean of the institution	2/11/443 on 30/4/1991
٦	Acknowledgment	Dean of the institution	2/11/56 on 7/9/1993
7	Acknowledgment	Dean of the institution	1/11/4918 on 6/8/1988
8	Acknowledgment	Dean of the institution	2/11/4918 on 6/8/1989
9	Acknowledgment	Dean of the agriculture college	6/6/2006
10	Acknowledgment	Dean of the agriculture college	14/4/2008
11	Acknowledgment	Dean of the agriculture college	3/1/2010
12	Acknowledgment	Dean of the agriculture college	3/10/2010

1	Acknowledgment	Head of the Education Foundation	2/11/9204 on 8/5/1985
2	Acknowledgment	Head of the Education Foundation	2/11/5375 on 28/12/1991
3	Acknowledgment	Head of the Education Foundation	7/35/11655 on 15/10/1991

8	Acknowledgment	Head of the Education Foundation	7/35/7008 on 14/6/1998
9	Appreciation certificate (3)	Head of the Education Foundation	1998
10	Acknowledgment	President of University of Baghdad	22/5/2006
11	Acknowledgment	President of University of Baghdad	2/12/2009

1	Acknowledgment	Minister of agriculture	27/1900 on 7/5/1988
2	Acknowledgment	Minister of agriculture	2/11/4918 on 6/8/1989
3	Appreciation certificate- 2	Minister of agriculture	1988 - 1989
4	Appreciation certificate-1	Head of Iraqi union students.	24/4/1993
5	Appreciation certificate-1	Minister of higher education	1998
6	Acknowledgment	Minister of industry	195 on 23/1/1998
7	Acknowledgment	Minister of higher education	1027 on 22/2/1998
8	Acknowledgment	Minister of education	19273 on 23/6/1998

9	Prize of environment	Ministers cabinet	1999
10	Acknowledgment	Minister of higher education	995 on 9/2/2000
11	Acknowledgment	Minister of higher education	964 on 18 /1/2001
2	Acknowledgment	Minister of higher education	1777 on 10/2/2001
13	Acknowledgment	Minister of higher education	3922 on 14/4/2001
14	Acknowledgment	Minister of higher education	936 on 16 /1/2003
15	Acknowledgment	Minister of health	47 on 24/2/2001
15	Acknowledgment	Union of engineers	11/1/2010
17	Acknowledgment	Arabic center for revival the Arabic heritage	25/5/2010

■ Published Fifteen Patens Approved by the Central Organization for Standardization and Quality Control in Iraq.

Patents Title:

- 1- Patent No. ٢٦٧٥ in 15/1/1997. Design Hydraulic Jack uses Tractors Hydraulic System, Abdulrazzak A. Jasim, Mustafa Abdulameer. Yousif N. Aladami.
- 2- Patent No. ٢٧٩٧ in ٢٨/10/1999. Product Asphalt materials used in Agricultural Purposes. Abdulrazzak A. Jasim, Essam E. Aumran, Hazim A. Sultan , Fatima M. Masood , Saleem A. Ghalib.
- 3- Patent No. 2809 in 29/1/2000. Design Equipment Used to Inject asphalt Materials under Soil Surface Depend on Tractors Air pump, Abdulrazzak A. Jasim.
- 4- Patent No. 3161 in 28/12/2002. Product Asphalt Sheet Used in Soil mulch for Agricultural Purposes. Rasheed A. Rasheed, Abdulrazzak A. Jasim, Essam E. Aumran, Fatima M. Masood , Saleem A. Ghalib. and Farid M. Abed.
- 5- Patent International Classification No: G01N19/00, Patent Iraqi Classification No, 6, Patent No. 3315 in 31/5/2011. Design and manufacture a device for measuring tenderness of various kinds of meat and its efficiency compared with chemical, physical, and sensing methods. Abdulrazzak A. Jasim, Amara M. S. Alrubaii and Mudaffer K. Abdulla.
- 6- Patent International Classification No: A61B5/00, A61B16/00, Patent Iraqi Classification No: 6, Patent No. 3441 in 25/9/2012. Designing, manufacturing and testing a device used to measure sarcomere length for myofibrillar of different meat, Abdulrazzak A. Jasim , Amara M. S. Alrubaii and Mudaffer K. Abdulla
- 7- Patent International Classification No: A22C17/00, A22C18/00, A22C7/00 , Patent Iraqi Classification No, 20, Patent No. 3997 in 20/8/2014. Design, manufacture and test the three- point

measuring mechanical properties in animal long bone. Amira M. S. M. bending device used for Al- Rubaie, Abdulrazzak A. Jasim and Rabee M. Mahmoud al-Rubaie.

8- Patent International Classification No: A01C23/00, A01B17/00, Patent Iraqi Classification No, 1, Patent No. 4028 in 2/10/2014. Design, manufacture and test the equipment used to inject liquid fertilizer under soil surface, Abdulrazzak A. Jasim and Kasem M. madlol.

9- Patent International Classification No: A01B17/002, A01B49/06, A01C23/02, Patent Iraqi Classification No, 24, Patent No. 4116 in 13/1/2015. The Possibility of Using Combine Implement Designed and manufactured Locally for injecting herbicides and pathogens under soil surface, Abdulrazzak A. Jasim, Munna T. Almusayi and Saif A. Rawdhan

10- Patent International Classification No: A01B45/00, Patent Iraqi Classification No, 1, Patent No. 4215 in 25/5/2015. Design, Manufacture, Assemble and Test a Combine Implement Used for Furrows Opener, Planting and Fertilization for Affected Soil with Salt. Abdulrazzak A. Jasim, Shatha M. Nafawa, Sammer B. Albadri and Khalid Z. Amer.

11- Patent International Classification No: A01B15/02, , Patent Iraqi Classification No, 1, Patent No. 4216 in 25/5/2015.

Design and manufacture a Combine Implement Used for Tillage and Breakdown Soil Hardpan and Open Drainage Tunnel under Soil Surface, Abdulrazzak A. Jasim. Muhemmed A. Mankhi and Munir A. Abduljabbar.

12- Patent International Classification No: A01B7/00, , Patent Iraqi Classification No, 1, Patent No. 4320 in 6/9/2015. Design, manufacture, assembling and testing a combine implement used for tillage and subsurface irrigation tubes installation. Abdulrazzak, A. Jasim Alzubaidi and Zena Allawi Habeeb Alrawshdie.

13- Patent International Classification No: A23B4/09, A47F5/14, Patent Iraqi Classification No, 11, Patent No. ٤٩٤٧ in ٢٠١٧/٥/٢٥. Design development of the vertical chicken rotisserie multiple rows by adding collection and routing system for exudes Juices During Roasting Under the Rotisserie Ranks to Improve the Properties of Roasted Meat, Muna T. Mossa Al-Mossawei, Abdulrazzak A. Jasim and Khalid Z. Amer.

14- Patent International Classification No: A01B49/06, Patent Iraqi Classification No, 1, Patent No. 5242 in 19/2/2018. Manufacturing, Assembling and Testing Combine Equipment Used For Cultivation and Spraying Herbicides and Fertilizing. Abdulrazzak A. Jasim and Shrook K. Mahde and Bassam A. Mizhir.

15- Patent International Classification No: Y02P60/10, Patent Iraqi Classification No, 1, Patent No. 5246 in 20/2/2018. Design Manufacture an Implement Used to Prevent Sparks Resulting from the Exhaust System for Tractors and Agricultural Machines. Abdulrazzak Abdullatif Jasim and Faiz Fawzee Majeed.

16- Patent International Classification No: A01G23/08, A01G23L095, Patent No. 5246 in 20/4/2018. Design and manufacture an automatic knife for date palm tree frond cutting Operates by frequency theory Cutting. Abdulrazak A. Jasim, Moayad R. Abbood, and Shamil M. Abbood.

17- Patent International Classification No: A01B21/02, A01C5/06, Patent No. 5613 in 2/1/2019 . Modifying, Manufacturing and Assembling a Combine Implement Used for Primary and Secondary Tillage, Open Shallow Furrow, Sewing and Fertilizing. Abdulrazak A. Jasim, Osama Hassn Jwer, and Tareq Kamal Masood.

18- Patent International Classification No: G01B11/30, Patent No. 5614 in 7/1/2019

. Design, Manufacturing and Testing an Ultrasonic Device to Determine Tillage Appearance (Soil Roughness) for Different Tillage Implements . Abdulrazak A. Jasim, Salam F. Saadon, Rabeaa M. arrubaii.

19- Patent International Classification No: A01B1/10, Patent No. 5677 in 14/2/2019

. Manufacturing and Assembling Combine Equipment Used for Different Agricultural Operations. Abdulrazak A. Jasim and Muneer Abdulsattar Abduljabbar.
