

Under the slogan

THE RESEARCH AND DEVELOPMENT IS A PILLAR FOR ACHIEVING
SUSTAINABLE DEVELOPMENT IN ANIMAL RESOURCES

Patronage by Prof. Dr. Mounir Hameed Al-Saadi
President of University of Baghdad

Supported by Prof. Dr. Kadhum Daily Hassan
Dean the College of Agricultural Engineering Sciences

Supervised by Prof. Dr. Amara Mohammed Saleh
Head of Animal Production Department
The Department of Animal Production holds the

2ND INTERNATIONAL CONFERENCE
FOR ANIMAL PRODUCTION SCIENCES AND TECHNOLOGIES
(VIRTUAL)

Iraq - Baghdad

17-18 March, 2021
Via Zoom application

Conference goals

1. Presenting the problems that face the animal production sector and highlighting the latest scientific research to address them.
2. Drawing of future visions that define strategic pathways to direct the animal production sector towards sustainable development, achieving food security and protecting the local product.
3. Exchanging of scientific ideas about recent developments in the animal production sector and opening of scientific communication among researchers.

Conference themes

- Reproduction and assisted techniques.
- Genetics and molecular techniques.
- Metabolism and functional feeds.
- Science and technology of red and white meat.
- Biological and veterinary sciences.

Terms and conditions of conference participation

1. In the papers participating in the conference, it is necessary to include at least two citations from the Iraqi Journal of Agricultural Sciences issued by the College of Agricultural Engineering Sciences at the University of Baghdad.

<http://jcoagri.uobaghdad.edu.iq/index.php/intro>

2. Papers published or submitted to any other local or international publication agency are not accepted to participate in the conference.
3. Papers written in Arabic and English languages are subjected to plagiarism, linguistic and scientific evaluations before accepting their participation in the conference.

6. Papers exceeding 10 pages are not accepted to participate in the conference.
7. Acceptance of papers written in the English language to participate in the conference does not mean acceptance for publication in the Scopus-indexed journals.
8. For more details of the conference, please visit the official website of College of Agricultural Engineering Sciences - University of Baghdad.

https://coagri.uobaghdad.edu.iq/?page_id=26449

Registration, participation and publication fees

- 20 \$ for participation without paper publishing.
- 100,000 IDs for participation and paper publishing in the Arabic language.
- 100 \$ or 145,000 IDs for participation and paper publishing in the English language.

Preparatory Committee

- Prof. Dr. Amara M. Saleh
- Prof. Dr. Talal A. Abdulkareem
- Prof. Dr. Waleed K. Al-Hayani
- Prof. Dr. Luma K. Bander
- Prof. Dr. Hisham A. S. Al-Mashhadani
- Assist. Prof. Dr. Saeed A. Al-Shawi
- Assist. Prof. Dr. Wafa I. Ibraheem
- Assist. Prof. Dr. Jamal A. Tawfeeq
- Assist. Prof. Dr. Eman H. Al-Anbari
- Assist. Prof. Dr. Husam J. H. Banana
- Assist. Prof. Dr. Riyadh H. Senkal
- Assist. Prof. Dr. Hanan E. H. Al-Mashhadani
- Assist. Prof. Dr. Hussein K. Al-Waith
- Assist. Lecturer Mr. Yasseen A. Husain

Scientific Committee

- Prof. Dr. Saad A. Naji
- Prof. Dr. Sunbul J. Hamoodi
- Prof. Dr. Basil M. Ibrahim
- Prof. Dr. Nasr N. Al-Anbari
- Prof. Dr. Sajeda M. Eidan
- Prof. Dr. Suad K. Ahmed
- Prof. Dr. Ahmed M. Al-Nedawi
- Assist. Prof. Dr. Wafaa H. Al-Samaracee
- Assist. Prof. Dr. Taghreed S. Mohsen
- Assist. Prof. Dr. Wasan J. Al-Khazraji

Participation processing

- Papers participating in the conference are sent to the following conference website:

https://coagri.uobaghdad.edu.iq/?page_id=26449

- The researchers should be informed about the status of their papers in both acceptance and rejection cases.

Payment processing

The conference fees are paid via either of the two following ways:

1. Al-Taif Financial Transfer Company or Western Union, Baghdad-Iraq or via Zain Cash application,

Mr. Yasseen A. Husain
Mobile: +9647903559495.

2. Participation fees are paid as soon as the researcher is informed of the paper acceptance, and then he sends an invoice for payment.

Important dates

- Initiation of full text papers submission : January 21, 2022
- Deadline for full text papers submission: February 21, 2021
- Notification of acceptance: February 25, 2021
- Date of the conference: March 17-18, 2021
