

Curriculum Vitae

Personal contact information

- **Name: Khawla AbdulAziz Salman**
- **Birth's date and place: 25/12/1980, Baghdad**
- **Working address: Animal Production- College of Agricultural engineering science- University of Baghdad**
- **Marital status: Married**
- **Phone: 07700182548**
- **E-mail address: khawla.aziz@coagri.uobaghdad.edu.iq**
- **Google scholar address link:**
- <https://scholar.google.com/citations?user=W8eI-38AAAAJ&hl=en>
- **ResearchGate address link:**
- https://www.researchgate.net/profile/Khawla_Salman2

Education (Qualifications):

- **Bachelor : Baghdad University - 2003**
- **Master : Baghdad University – 2010**
- **Doctorate : Baghdad University - 2015**

Academic Degree: Ph. D.

Scientific Degree: Assistant prof.

Area of Expertise:

- **Teaching** : principles of Animal production, Avian Physiology, Avian production
- **Other activities:**
- **Supervision on graduate students:**

Training courses. Symposia and Conferences:

Awards and Honors: Thanks from head boss of university

Thanks from Agricultural engineering science dean

Publications:

- Researches:

- 1- Heat shock protein in birds: A review.
- 2- Medicinal plants and its effect on some physiological traits in birds:
A Review.
- 3- Evaluate the effectiveness of using grape seed oil (*Vitis Vinifera L.*) and Black Cumin seed oil (*Nigella sativa*) in broiler diet in some blood physiological traits and oxidant status in meat.
- 4- Effect of sodium bicarbonate supplement in Japanese quail diet on some physiological traits during heat stress condition.
- 5- Effect of Adding Different Levels of Green Tea Powder *Camellia Sinensis* to Diet on Some Physiological Traits in Broiler

- Books

- Chapters

Acknowledgment and outstanding awards
