

## C.V

**Name:** Mohammed Farooq Abdulhameed Al-Qazzaz

**Place and day of Birth:** Iraq - Baghdad- 1977/6/6

**Address:** Iraq-Baghdad- Al- Mansour- Albajai

**Martial statues:** Separated

**Email:** mohammed.far@coagri.uobaghdad.edu.iq

**Mobil:** 009647727717702

**Scientific Degree:** Ph.D. (UPM)

**Working place:** University of Baghdad-Faculty of Agriculture- Animal  
Production Department

**Specialty:** Poultry Nutrition

**Position:** Senior Lecturer

**Title of Thesis:** Assessment of alternative feed sources with different  
levels of energy to protein ratio towards enhancement of layer and broiler  
performance

**Language:** Arabic- English- French

**Teaching Experience:** Principles of Animal Production / Poultry

Technology/ English/ computer applications

## **Published scientific researches:**

- Preparation of Iraqi probiotic and compared its effect with foreign probiotic on productive performance of broiler
- Use of two probiotics and their combination in productivity performance of layers.
- Effect dietary inclusion of rice dust to the diets on productive performance of broiler
- Effect of using insect larvae meal as a complete protein source on quality and productivity characteristics of laying hens.
- Effect of energy to protein ratio using alternative feed ingredients on growth performance and nutrient digestibility in broilers.
- Insect Meal as a Source of Protein in Animal Diet.
- Dietary Replacement with Food Waste and Black Soldier Fly Larvae
- Supplementation Improved Growth Performance, Nutrient Digestibility and Intestinal Microbial Population in Broilers

## **Scientific Activates:**

- Educational qualification course at University of Baghdad in 05/03/2009 to 06/02/2009.
- Arabic language course at University of Baghdad in 03/05/2009 to 03/06/2009.
- PCR & DNA Fingerprinting course in 4/3/2012 to 19/3/2012

## **Other Activates:**

Member of the purchase committee in Animal Production Department in 2008 to 2009

### Thanks letters:

No.	Name of Awards and Certificates	Donor	Year
1	Thank you letter	Faculty of Agriculture - University of Baghdad	2008
2	Thank you letter	Poultry Science Association	2010
3	Thank you letter	Faculty of Agriculture - University of Baghdad	2011
4	Patented	Ministry of Planning	2011
5	Thank you letter	Minister of Higher Education and Scientific Research	2021
6	Thank you letter	Minister of Higher Education and Scientific Research	2021

### Conferences and seminars:

No	Conferences Title	Year	Place	Type of Participation
1	Ninth Scientific Conference of the Faculty of Veterinary Medicine	2009/4/1-3/31	University of Baghdad	Presence
2	Scientific Symposium on the poultry industry problems and solutions	2009/4/18	University - of Karbala- Faculty of Veterinary Medicine.	Presence
3	Seventh Scientific Conference of the Agricultural Research	.2009/10/28-26	Ministry of Agriculture	Presence

4	Second Scientific Conference of the Institute for Genetic Engineering and biological technologies for Graduate Studies	2009/11/5-4	University of Baghdad	Presence
5	First Scientific Symposium for Research on Date Palm	2009/11/24	University of Baghdad	Presence
6	The first scientific symposium on the use of modern means and techniques for the development of the poultry industry in Iraq	2009/11/26	Faculty of Agriculture - University of Kufa	Presence
7	11th Scientific Conference of the Poultry Science	2009/12/14	Faculty of Agriculture - University of Baghdad	Presence
8	Scientific symposium on the drug blight necrosis of the body of the community	2009/12/21	Faculty of Agriculture - University of Baghdad.	Presence
9	Scientific Symposium at the Center for Electronic Calculator - Draft Avicenna e-Learning	2010/3/3	University of Baghdad	Presence
10	Third Scientific Symposium on the Management of poultry in the tropics	2010/4/14	University of Wasit	Presence
11	The first scientific symposium to raise and care for deer in Iraq	2010/5/18	Faculty of Agriculture - University of Baghdad	Presence
12	Fourth Scientific Conference of the Faculty of Veterinary Medicine. Science of veterinary medicine and its role in controlling epidemic diseases	2010/11/25-24	College of Veterinary Medicine - University of Baghdad	Presence
13	Scientific Symposium of the Federation of Iraqi Poultry Producers Association and the Iraqi Poultry Science entitled production and marketing of poultry feed	2011/10/30	Faculty of Agriculture - University of Baghdad	Presence

14	Fifth Scientific Conference of the Centre for Market Research and Consumer Protection	2011/3/15	University of Baghdad	Presence
15	* The first national symposium, entitled for the food free of mycotoxins.	2011/4/11-10	Faculty of Agriculture - University of Baghdad	Presence
16	* Scientific Symposium of the Faculty of Agriculture, entitled Management of poultry in hot climates ..	22/2/2011	University of Anbar	Presence
17	The Fourth Scientific Conference of Science entitled livestock research our way to the development and improvement of livestock	2012/3/27-26	University of Tikrit	Presence
18	Scientific Symposium of the Federation of Iraqi Poultry Producers Association and the Iraqi Poultry Science entitled production and marketing of poultry feed	2011/10/30	Faculty of Agriculture - University of Baghdad	Presence
19	The 37 <sup>th</sup> Malaysian Society of Animal Production Annual Conference	1 <sup>st</sup> – 3 <sup>rd</sup> June 2016	Hatten Hotel in the Historic city of Malaysia	Participant
20	How to use EndNote desktop in references writing	5/5/2019	University of Baghdad	Speaker

21	methods of DNA extraction using different sources, and PCR applications	15-17/12/2020	Faculty of Agriculture - University of Baghdad	Presence
22	How to use EndNote desktop in references writing	18/5/2020	Faculty of Agriculture - University of Baghdad	Speaker
23	Turnitin Software	27/3/2021	Faculty of Agriculture - University of Baghdad	Presence
